All program expenses not otherwise defined in the contract will be assumed by the FSMC under the Administrative Fee. Expenses that represent the administrative fee must be itemized. A management fee represents the profit to the FSMC.

Public opening of proposals will be at 10:00am on Friday, May 3, 2024. Proposals will not be accepted after this time. Proposals are to be submitted in a sealed envelope marked Food Service Management Company Bid.

2. In accordance with Title 7 CFR 200.319 (b), the SFA must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference.
3. SFAs are prohibited from entering into a contract with a FSMC that provides recommendations, develops or drafts specifications, requirements, statements of work, requests for proposals, contract terms and conditions, or other documents for use in conducting procurement.

4. The SFA reserves the right to reject any or all bids, if deemed in the best interest of the SFA.
5. For consideration, each FSMC must submit a complete response to this solicitation using the forms provided.
6. The SFA will award the contract to the most qualified and responsible FSMC whose proposal is responsive to this solicitation. A responsible FSMC is one whose financial, technical and other resources indicate an ability to perform the services required by this solicitation.
7. FSMCs or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so will be at the FSMC's own risk and cannot secure relief on the plea of error. The SFA is not liable for any cost incurred prior to approval of the Indiana Department of Education (IDOE) and the execution of the contract. Paying the FSMC from Child Nutrition (CN) Program funds is prohibited until the contract is signed by both parties and final approval is provided by IDOE.
8. If additional information is required, please contact Adrian Wilkerson at (219) 838-1819 or at awilkerson@lakeridgeschools.net

E. Award Criteria

The contract will be awarded to the responsible bidder whose proposal is most advantageous to the program with price and other factors considered. An evaluation committee will be comprised of at least three people. Each committee member evaluates proposals independently. The award criteria and the relative value assigned to each must be specified on the evaluation form (Attachment A) with Cost being the primary factor (assigned the greatest number of points compared to other factors).

F. Bid Protests

Any action which diminishes open and free competition seriously undermines the integrity of the procurement process and may subject the SFA to bid protests. SFAs are responsible for properly responding to protests and concerns raised by potential contractors. SFAs must attach their bid protest procedures to their RFPs. Pursuant to 2 CFR 200.318, SFAs must in all instances disclose all information regarding a protest to IDOE.

The Corporation's bid protest procedures are as follows:

1. A bidder shall have five (5) days to file a protest with the Superintendent of Schools in accordance to the same procedures defined in the request for proposal. Failure to follow these steps will invalidate a protest.
2. The Superintendent of Schools will review the protest within five (5) business days of receipt. The Superintendent of Schools will decide if the protest is valid and shall determine if it impacted the bid award process. The Superintendent of Schools will notify the School Board of Trustees of a protest. The Superintendent of Schools will note that there was a protest in any decision to award a bid.

G. Captions

Captions in all sections of this document are provided only as a convenience and shall not affect the interpretation of this instrument, its attachments, and addenda.

H. Contract Terms

The contract shall be for a period of one year with the school year beginning on or about July 1, 2024, and ending June 30, 2025, with up to four one-year renewals with mutual agreement between the SFA and the FSMC. This contract cannot be effective prior to the date of final approval by IDOE and signatures of both parties.

I. Employees

Retention of the current food service employees is addressed in the Standard Terms and Conditions under subsection Employees.

J. Errors or Omissions

The proposing vendor shall not be allowed to take advantage of any errors or omissions in the specifications. Where errors occur in the specification, the vendor shall promptly notify the contact person listed. Inconsistencies in the specifications are to be reported prior to proposals being submitted. The SFA must communicate to all potential bidders.

K. Final Contract

The complete contract will include all documents included by the SFA in the RFP and the proposal submitted by the FSMC.

L. Gifts from FSMC

The SFA's officers, employees, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from contractors nor potential contractors. To the extent permissible under State law, rules, or regulations, such standards shall provide for appropriate penalties, sanctions, or other disciplinary actions to be applied for violations of such standards.

M. Late Bids

The SFA will not consider any bid received after the exact time specified for receipt.

N. Meal Equivalents

For the purpose of making the meal count computation, the number of meals served to children shall be determined by actual counts of reimbursable meals. The FSMC and SFA shall determine a la carte meal equivalents by dividing the a la carte revenue by the sum of the Federal and State free meal reimbursement plus the value of USDA entitlement and bonus donated foods. A la carte revenue shall include adult meals and a la carte sales to students and adults. If applicable, include revenue from vending machine sales as part of the a la carte revenue.

O. Payment and Fees

The following definitions are provided to clarify what are allowable direct costs:

- **Food:** limited to those items purchased for use in the preparation and service of student, adult, and a la carte meals as specified under terms and conditions.
- **Labor:** limited to on-site employees responsible for the management, preparation, service, and clean up of meals.
- **Miscellaneous Expenses:** paper supplies (including decorations), equipment rental, cleaning materials, commodity handling and warehousing charges, travel as required for effective program management, uniforms, printing, taxes and licenses, insurance, and other expenses as contractually obligated herein.

P. Additional Information

The SFA may add any additional items that need to be covered in the RFP/original contract below. The SFA may not add additional items to the Renewal Year Contracts without rebidding unless the item constitutes an immaterial change from the original contract. An exclusive listing of changes that are material regarding the many procurement actions undertaken in child nutrition programs cannot be provided. SFA should consult with legal counsel in making those determinations. However, IDOE views a change as material when, had the new term been in the solicitation and original contract, it could have affected how the bidder and other competitors responded to the RFP.

Standard Terms and Conditions

A. Scope and Purpose

- 1. The FSMC shall operate in conformance with the SFA’s Agreement with IDOE.
- 2. The SFA currently operates or is adding the programs indicated below with a checkmark. The FSMC, as an independent contractor, shall have the exclusive right to operate the Child Nutrition Programs, which includes all of the following checked programs:

- | | |
|---|--|
| <input checked="" type="checkbox"/> National School Lunch Program (NSLP) | <input checked="" type="checkbox"/> Summer Food Service Program (SFSP) |
| <input checked="" type="checkbox"/> Child and Adult Care Food Program (CACFP) | <input checked="" type="checkbox"/> A la Carte |
| <input checked="" type="checkbox"/> School Breakfast Program (SBP) | <input checked="" type="checkbox"/> Afterschool Snack Program (ASSP) |

Proposals must be inclusive of all of the SFA’s programs selected above. The corresponding attachments for each checked program must be included in the RFP. The SFA reserves the right to expand the Federal Child Nutrition programs by adding additional programs, so long as both parties are in agreement and the expansion does not constitute a material change. Prior approval is required from the State Agency.

- 3. The FSMC shall be an independent contractor and not an employee of the SFA. The employees of the FSMC are not employees of the SFA.
- 4. The food service provided shall be operated and maintained as a benefit to the SFA’s students, faculty, and staff and not as a source of profit to the FSMC.
- 5. The FSMC shall comply with the rules, regulations, policies, and instructions of IDOE and USDA, including but not limited to, Title 7 CFR 210, 215, 220, 245, 250, and 2 CFR 200; and, if applicable, Title 7 CFR 225 (SFSP) and 7 CFR 226 (CACFP), as applicable, and any additions or amendments thereto.
- 6. All income accruing as a result of payments by children and adults, federal and state reimbursements, and all other income from sources such as donations, special functions, grants, loans, etc., shall be deposited in the SFA’s food service account.
- 7. Any profit or guaranteed return (a minimum amount of funds guaranteed to the SFA by the FSMC at the end of the school year food service operations) shall remain in the SFA’s food service account and used for allowable food service expenses. The guaranteed return can be no less frequent than yearly. This is a non-profit program and, as such, the SFA’s food service account should retain a maximum balance of three (3) months operating expenses on hand as is required under 7 CFR 210.9(b)(2). Any Guaranteed Return proposed by the FSMC must be fully described in the methodology including the formula for determining the value. The methodology, inclusive of the formula/calculation, may not change in renewal years.
- 8. As required under 7 CFR 210.16(c) and 2 CFR 200.323 the SFA and the FSMC agree that this contract is neither a “cost-plus-a-percentage-of-income” nor a “cost-plus-a-percentage-of-cost” contract.
- 9. The SFA shall be legally responsible for the conduct of the food service program and shall supervise the food service operations in such a manner as will ensure compliance with the rules and regulations of IDOE and the United States Department of Agriculture (USDA) regarding each of the CN Programs covered by this contract.

10. The SFA shall retain control of the CN Program's food service account and overall financial responsibility for the CN Programs.
11. The SFA shall establish all selling prices, including price adjustments, for all reimbursable and non-reimbursable meals/milk and a la carte (including vending, adult meals, contract meals, and catering) prices. These prices shall not be established by the FSMC.
12. The FSMC shall provide additional school-related food service, such as banquets, parties, refreshments for meetings, etc., as requested by the LEA. The LEA or requesting organizations will be billed for the actual cost of food, supplies and labor, and the FSMC's overhead and administrative expenses if applicable to providing such service. The total price will not exceed the actual cost plus 5%. (The percent profit should not exceed 10%). USDA Foods (commodities) shall not be used for these special functions unless the SFA's students will be primary beneficiaries. The Non-profit School Food Service Account shall not be charged for these additional food service requests outside of the School Nutrition Programs.
13. For fixed price per meal contracts, awarded on a per meal basis and with revenues from non-program foods sales converted into meal equivalents to which the fixed price cost is applied, the FSMC will annually provide information on food costs and revenues. The information must include food cost for reimbursable meals, food cost for non-program foods, revenue from non-program foods, and total revenue. Non-program foods include: a la carte; catering; vending; and student stores operated, or any other sales generated through the nonprofit school food service account not already described. This information is used to determine compliance with revenue from non-program foods at 7 CFR 210.14(f).
14. The SFA reserves the right, at its sole discretion, to sell or dispense any food or beverage before or after the SFA's regularly scheduled lunch or breakfast periods, provided such is not prohibited by local wellness policies, state policies, or federal program regulations.
15. The FSMC shall cooperate with the SFA in promoting nutrition education and coordinating the SFA's food service with classroom instruction. The FSMC shall comply with the Wellness Policy including the nutrition guidelines as required.
16. The vendor will make substitutions for food and/or beverage components for students with special dietary needs at no additional cost to the student. This includes, but is not limited to, food allergies and/or intolerances, texture modifications, carbohydrate counts, and calorie modifications. Substitutions shall be made on a case-by-case basis. To reduce and/or prevent the possibility of allergens being present in food or beverage items, the vendor is required to allow access to all ingredient and nutrition labeling for all products. If accommodations are not met within the meal pattern, these changes should be supported by a signed statement from a recognized medical authority. The SFA is responsible for obtaining and maintaining any documentation required for the SFA to claim program reimbursements.
17. Payment Terms/Method: The FSMC shall invoice the SFA at the end of each month for amounts due based on on-site records. The SFA shall make payments within 30 business days of the invoiced date. The payment of interest and late fees from the school food service account funds is prohibited. Under 7 CFR 210.21(f)(iv), the FSMC is required to identify the amount of each discount, rebate, and other applicable credits on bills and invoices presented to the SFA for payment. Detailed cost documentation must be submitted monthly to support what the SFA is charged for each cost, charge, or expense. Costs, charges, and expenses must be mutually agreeable to the SFA and the FSMC and be allowed by the State Agency (SA). Upon termination of the Agreement, all outstanding amounts shall immediately become due and payable.
18. The SFA is responsible for all contractual agreements entered into in connection with the CN Programs.

19. This contract shall be construed under the laws of the State of Indiana. Any action or proceeding arising out of this contract shall be heard in the appropriate courts of the State of Indiana.
20. The FSMC shall comply with the provisions of the bid specifications, which are hereby in all respects made a part of this contract.
21. No provision of this contract shall be assigned or subcontracted without prior written consent of the SFA and the State Agency.
22. No waiver of any default shall be construed to be or constitute a waiver of any subsequent claim.
23. Any silence, absence, or omission from the contract specifications concerning any point shall be regarded as meaning that only the best commercial practices are to prevail, and that only materials (e.g., food, supplies, etc.) and workmanship of a quality that would normally be specified by the SFA are to be used.
24. Payments on any claim shall not preclude the SFA from making a claim for adjustment on any item found not to have been in accordance with the provisions of this contract and bid specifications.
25. The SFA shall be responsible for ensuring the resolution of program review and audit findings.
26. The contract must be reviewed and approved by IDOE prior to execution.

B. Signature Authority

1. The SFA shall retain signature authority for the agreement with IDOE to participate in the CN Programs, including but not limited to the Permanent Agreement with IDOE, CN Annual Financial Report, the Verification Summary Report, USDA Foods Surveys, the on-line submission of the sponsor application/site information and other reports.
2. The SFA shall retain signature authority for the Monthly Claim for Reimbursement in the CNPWeb.
3. The SFA is responsible for reviewing the data and signing the Edit Check Worksheet(s) prior to the submission of the monthly Claim for Reimbursement.

C. Free and Reduced-Price Meals Policy

1. The SFA shall be responsible for the establishment and maintenance of the free and reduced price meals' eligibility roster.
2. The FSMC shall implement an accurate point of service meal/milk count using the meal counting system submitted by the SFA in their application to participate in the CN Programs and approved by IDOE, as required under Title 7 CFR 210.8. Such meal/milk counting system must eliminate the potential for the overt identification of free and reduced-price eligible students under Title 7 CFR 245.8.
3. The SFA shall be responsible for the completion, distribution, and collection of the parent letter and household application for free and reduced-price meals and/or free milk.
4. The SFA shall be responsible for obtaining the Direct Certification List, as required throughout the school year, for use to determine eligibility for free meals without obtaining a household application for free and reduced-price meals and/or free milk from parent/guardian.

5. The SFA shall be responsible for the determination of eligibility for free and reduced-price meals and free milk and will not disclose confidential information to the FSMC, as required under Title 7 CFR 210.16(a). The SFA will provide the FSMC with a list of children. This list must be updated by the SFA when changes occur in a student's eligibility status.
6. The SFA shall be responsible for conducting any hearings related to determinations regarding eligibility for free and reduced-price meals and free milk.
7. The SFA shall be responsible for verifying household applications for free and reduced-price meals and follow-up activities as required by federal regulations. The Data Specialist for the SFA is responsible for completing the verification process.

D. USDA Donated Foods

1. The SFA shall retain title to all USDA donated foods.
2. The FSMC is prohibited from entering into any processing contracts utilizing USDA donated foods on behalf of the SFA. All refunds received from processors must be retained by the nonprofit school food service account.
3. The FSMC shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to, USDA donated foods.
4. The FSMC shall select, accept, and use USDA donated foods in as large quantities as may be efficiently utilized in the SFA's nonprofit food service, subject to approval of the SFA. The SFA shall consult with the FSMC in the selection of USDA Foods; however, the final determination as to the acceptance of USDA Foods must be made by the SFA. The FSMC must integrate all the SFA's USDA Foods inventories at the state assigned warehouse, processors and/or DoD program into all menus. This shall begin within one month after contract execution. The FSMC must keep these menus on record for reference and be able to provide them to IDOE as requested. Failure to utilize the SFA's USDA Foods will result in the removal of USDA Foods from the SFA's inventory, and a restocking fee in the amount of \$2.95 per case will be charged to the FSMC (the SFA will receive a reduction in claims, then the total amount recovered must then be credited to the SFA in a future invoice from the FSMC to offset the loss to the SFA. A current list of USDA Foods is listed in Appendix E for schools that have USDA Foods entitlement.
5. The FSMC will use all donated fruits, vegetables, poultry, ground beef and ground pork products, and all processed end products, in the SFA's food service. The FSMC will use all other donated foods or will use commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the donated foods, in the SFA's food service.
6. The FSMC must assure that the procurement of processed end products on behalf of the SFA, as applicable, will ensure compliance with the requirements in subpart C of 7 CFR 250, and with the provisions of distributing or recipient agency processing agreements, and will ensure crediting of the SFA for the value of donated foods contained in such end products at the processing agreement value.
7. The FSMC shall have records available to substantiate that the full value of all USDA donated foods is used solely for the benefit of the SFA.
8. The USDA Foods values are to be based on the values at the point the SFA receives the USDA Foods from the State distributing agency and based on the USDA Commodity Value Listing pertinent to the time period. This information is available from the Indiana Department of Education, School and Community Nutrition Division.

9. The FSMC shall perform the following activities in accordance with §250.50(d): (check all that apply)

- Preparing and serving meals using donated foods
- Ordering or selection of donated foods (in coordination with the SFA)

2. The FSMC must credit the SFA for the value of donated foods contained in processed end products if the FSMC is required to:
 - a. procure processed end products on behalf of the SFA, or
 - b. act as an intermediary in passing donated food value in processed end products on to the SFA.
3. The SFA must determine the method by which crediting of USDA Foods and any rebates will occur and the means of documentation to be utilized to verify that the value of all donated foods has been credited. All crediting must be done on **no less than a monthly basis**. SFA must check an option below:
 - Fixed-price contract: FSMC must subtract from SFA's monthly bill/invoice the market value of all USDA-donated commodities received for use in SFA's food service.
 - Cost-reimbursable contract: FSMC must itemize, in a separate line item in the regular monthly billing to SFA, the savings resulting from use of donated commodities based on the market value of all USDA-donated commodities received for use in SFA's food service.
 - Other crediting method:
4. The FSMC must use the most recent November USDA Commodity Value Listing for determining the donated food values to be used in crediting, in accordance with 250.51(c), or the actual donated food values. All forms of crediting must provide clear documentation of the value received from the donated foods.
5. Following 7 CFR 210.21(f)(iv), invoices must clearly display all applicable credits to the SFA.

F. Inventory, Storage and Record Retention of USDA Donated Foods

1. When this contract or subsequent renewals terminates, the FSMC must return all unused donated ground beef, donated ground pork and processed end products and, at the SFA's discretion, return other unused USDA foods.

 - c. The actual donated food values used in crediting.
6. The FSMC must maintain the following records relating to the use of donated foods:
 - a. The donated foods and processed end products received from, or on behalf of, the SFA, for use in the SFA's food service.
 - b. The FSMC must show documentation that it has credited the SFA for the value of all donated foods received for use in the SFA's food service in the school year, including, in accordance with the requirements in 250.51(a), the value of donated foods contained in processed end products.
 - c. The FSMC must maintain documentation of its procurement of processed end products on behalf of the SFA, as applicable.
7. The SFA must ensure that the FSMC is in compliance with the requirements of the inventory, storage and record retention of USDA Donated Foods through its monitoring of the food service operation, as required in 7 CFR 210, 225, 250, and 252, as applicable. The Chief Financial Officer of the SFA is responsible for this monitoring process.
8. The SFA must conduct a reconciliation at least annually (and upon termination of the contract) to ensure that the FSMC has credited it for the value of all donated foods received for use in the SFA's food service in the school year.

G. Renewal Assumptions

1. Assumptions: Financial terms of the Agreement are based upon existing conditions and the following assumptions. If there is a material change in conditions, including, without limitations, changes to the following assumptions, this contract (1) may be terminated at the end of the current term or (2) continue under the same terms as written, whichever is mutually agreed upon.

The distinction between a minor change and a material change cannot be qualified for every action undertaken in the Child Nutrition (CN) programs. However, at a minimum, a change is material when, had the new term been in the solicitation and original contract, it could have affected how the bidder and other competitors responded to the RFP. Services or features contingent on multi-year contracts are not allowable, for example equipment installation may not be stipulated for contract renewal years.

- a. The SFA reserves the right to expand the Federal Child Nutrition programs in order to provide availability of food resources to children and students that can be served through these programs so long as both parties are in agreement and prior approval is obtained from the IDOE SCN.
- b. The SFA's policies, practices, and service requirements shall remain materially consistent throughout the contract term and any subsequent contract renewals. The term materially consistent shall mean that a change does not (1) materially increase FSMC's cost of providing management service or (2) materially decrease the net revenue derived from the food service operations.

- c. Legislation, regulations, and reimbursement rates that create changes in the school lunch program shall be enforced on their effective date.
 - d. Usable commodities of adequate quality and variety required for the menu cycle, valued at an amount as set forth by USDA per meal pattern for the contract year will continue to be available.
 - e. The government reimbursement rates in effect shall remain materially consistent throughout the year.
 - f. Meal components and quantities required by any of the programs selected in letter A, under 1 (Scope and Purpose) of the Standard Terms and Conditions remain consistent with prior years.
 - g. Service hours, service requirements, and type or number of facilities selling food and/or beverages on SFA's premise shall remain materially consistent throughout the contract term and any subsequent contract renewal years.
 - h. The state or federal minimum wage rate and taxes in effect shall remain materially consistent throughout the year.
 - i. The projected number of full feeding days is: 180 days and shall remain materially consistent in renewal years.
 - j. SFA revenue credited to the food service program shall include all state and federal amounts received specifically for CN operations.
2. **Contract Cost Increase:** The SFA may negotiate at the end of each one-year contract period for a cost increase not to exceed the annual percentage increase of the Consumer Price Index (CPI) for the preceding year, provided it has been satisfactorily established by the FSMC that there has been at least an equivalent increase in the amount of its cost of operation during the period of the contract. This is applicable to both the Administrative and Management Fees in both Cost Reimbursable and Fixed Price contracts. The addition of new line items to the budget is not allowable in renewal years. The SFA and FSMC risk a lapse in contract if IDOE timelines are not adhered to.
 3. All contract renewals shall be for a period of one year, with mutual agreement between the SFA and the FSMC. Renewal contracts cannot be effective prior to the final approval date by IDOE and signed by both parties. Failure to have renewal contracts fully executed prior to the contract expiration, will lapse this contract and require the SFA to re-bid the contract.
 4. Renewal year contracts are contingent upon fulfillment of all contract provisions.

H. Health Certifications

1. The SFA shall maintain all applicable health certifications on its facilities and shall ensure that all state and local regulations are being met by the FSMC preparing or serving meals at any SFA facility.
2. The FSMC shall maintain state and/or local health certifications for any facility outside the SFA in which it proposes to prepare meals and shall maintain this health certification for the durations of the contract as required under Title 7 CFR § 210.16(c).
3. The FSMC shall adhere to the Food Safety Plan implemented by the SFA for all preparation and service of school meals, using a Hazard Analysis and Critical Control Point (HACCP) system as required under Public Law 108-265.

4. The FSMC agrees to allow at least two health inspections to be conducted by the Health Department at every site involved in school meal preparation and/or service as required by Public Law 108-265.
5. The SFA will ensure the immediate correction of any problems found because of a health inspection. Corrections will be made by either SFA or FSMC as determined by the SFA.

I. Meals

1. The FSMC shall serve meals on such days and at such times as requested by the SFA.
2. The SFA shall retain control of the quality, extent, and general nature of the food service and the prices to be charged the children for meals.
3. The FSMC shall offer free, reduced price and paid reimbursable meals to all eligible children participating in the CN Programs.
4. In order for the FSMC to offer a la carte food service, the FSMC must offer free, reduced price and paid reimbursable meals to all eligible children.

The SFA director may work with the FSMC to identify appropriate training resources and opportunities, such as those listed at the professional standards website at <http://professionalstandards.nal.usda.gov/>. The FSMC must provide documentation to SFA showing annual training hours and topics completed by the employees. FSMC contract must include the professional standard requirements. The SFA and FSMC must ensure food service staff meet the hiring standards set forth in the Professional Standards requirements.

M. Hiring Standards

The SFA that chooses to outsource management of some or all food service operations to another company or co-op, such as a Food Service Management Company (FSMC), Vendor, or Educational Services Center, are required by USDA to meet the following criteria:

- The SFA must maintain oversight and responsibility for planning, administering, implementing, monitoring, and evaluating the school meal programs. This means the FSD must be hired by the SFA, not the company or co-op.
- Even if the company or co-op appoints a person to oversee food service director duties, the role of FSD must still also remain with the SFA. The USDA hiring standards and annual training requirements are applicable to this role.
- If the school nutrition director duties are equally shared between multiple people, then all individuals must meet the FSD hiring standards. This means that while the SFA must appoint an FSD who meets the hiring standards, the company or co-op might also appoint someone to manage the FSD duties. This person is also required to meet the hiring standards and the training requirements.
- Qualified FSDs, whether hired by the SFA or the company/co-op, must regularly provide on-site assistance and monitoring of all sites under the sponsor. Regular monitoring means on site at least for a measurable portion of each week to ensure food safety, meal pattern and meal count documentation is maintained.

- Beginning school year 2022-2023, all SFAs will be expected to have a named food service director (SFA staff not FSMC staff) on site who meets the requirements as outlined above.
- For more information about hiring standards and training requirements check out the following resources from USDA:

 - [SP-05-2020 Questions & Answers Regarding Professional Standards for State and Local School Nutrition Program Personnel.](#)

Any equipment purchases recommendations submitted by a FSMC cannot be used to evaluate their response to the RFP.
4. If Program equipment breaks down, a contract provision needs to establish the dollar value of equipment that the district will cover either per year or over the life of the contract. The district needs to include a provision for the repair and replacement of food preparation and serving equipment as equipment repair and replacement can occur at any time. It is imperative that the district understand its operational needs which includes the age and condition of the kitchen equipment and establish a dollar value for replacement that is communicated in the solicitation and contract. Districts are reminded that equipment, defined at 2 CFR 200.33, means tangible personal

property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds \$5,000.

16. The SFA shall have access, with or without notice, to all of the SFA's facilities used by the FSMC for purposes of inspection and audit.
17. The FSMC shall not use the SFA's facilities to produce food, meals, or services for other organizations without the approval of the SFA. If such usage is mutually acceptable, there shall be a signed agreement, which stipulates the fees to be paid by the FSMC to the SFA for such facility usage.

 - For a fixed-price contract: The FSMC will buy the beginning inventory exclusive of commodities, from the SFA (not applicable in a cost reimbursable contract since the FSMC should only be charging for new purchases).

 - b. The contractor must separately identify for each cost submitted for payment to the SFA the amount of each cost that is allowable and unallowable.

In the case of other applicable credits, the nature of the credit must be identified. **(An example of the invoice/bill must be included with the proposal.)**
